

| Outcomes and experiences S3 Physics | G | O | R | How do I know I can do this or what can you do to improve your learning in this outcome? |
|--|---|---|---|--|
| I can define a transistor as being a voltage controlled electronic switch | | | | |
| I can identify a MOSFET and an npn transistor as being process devices | | | | |
| I can identify the symbol and the switch on voltage for the following <ul style="list-style-type: none"> • MOSFET • npn transistor | | | | |
